Term 3 Week 6

19th August 2015

Dear Parents/Carers,

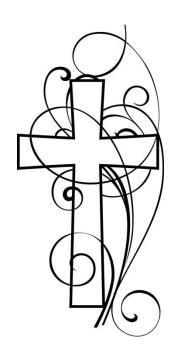

It is with sadness that I share the news of the passing of Fran's husband, John. John died last week with Fran and their three sons Kristian, Damian and Alex by his side. Please keep Fran, her sons and their extended family in your thoughts and prayers at this difficult time.

Eternal rest, grant unto him O Lord And may perpetual light shine upon him. May he rest in peace.

Mrs Jackson will remain on leave until Term Four.

School News

It has been a busy time for St Joseph's students. Congratulations to the many students who represented our school at the Zone Athletics Carnival on Friday 7^{th} August. Five students have made it to Diocesan level:

Jonah Sutherland-Stowers – Shot put Zaid Lehn – 100m, 200m and long jump Jonathon Page – Shot put Mading Mading – 800m Katie Borg – 200m

We wish these students all the best for the Diocesan carnival this Friday, 21st August.

Last Wednesday, St Joseph's competed in the Voice of Youth cluster final at Corpus Christi Primary School Cranebrook. Lucie Coulter, Natalia Larsen-Tai and Haylee Whitfield prepared their speeches diligently and spoke confidently. Well done to each of the girls for their great work.

Week 9 - Dice Games

Last Thursday, almost one hundred of our students travelled to the Joan Sutherland Centre to complete in the Penrith Eisteddfod. Our infants and primary choirs performed with great exuberance, each achieving third place. Special thanks to Mr Tim for his preparation of the students and the teachers who assisted with supervision on the day.

Week 7 – Card Games

Our Musical Working Bee is this weekend, 22^{nd} and 23^{rd} August. The working bee will be held in the MPA and entry will be through the walker's gate near Kindergarten. We are very grateful for any help you may be able to provide. Please understand that we are not able to accommodate primary school aged and younger children on this day. There are WHS issues with children being in the MPA and we are unable to provide supervision in any other part of the school.

Catholic Culture News

Dear Parents,

Family Fun Day

On Sunday the 9th of August we held our annual Family Fun Day. The day started with parish Mass and it was wonderful to see so many school families attend. We appreciate all the students and their families who participated in the Mass, especially those who read or sang in the choir. It was a lovely way for the parish and school community to come together.

Whole School Liturgies

As a school community, over the past two weeks, we have celebrated two very important Liturgies of the Word. Last week we celebrated the Feast of Mary MacKillop, who is Australia's first saint and this week we celebrated the Assumption of Mary, who shares in the glory of God in heaven. Mary shows us that believing in God is a matter of complete faith and complete trust in God.

<u>Faith Formation</u> Religious Literacy Assessment

During Weeks 6 and 7, students in Years 4 and 6 will take part in an online Religious Literacy Assessment. This will take part during class time.

Below is a sample of the types of questions included in this Religious Literacy Assessment:

Q: What are some feast days of Mary?

A: 1. The Annunciation.

- 2. The Visitation.
- 3. The Assumption.
- 4. Our Lady Help of Christians

Q: What is another title of Mary?

A: Queen of Peace.

Q: Who is Mary's husband?

A: Joseph.

Q: What are the prayers to Mary?

A: 1. Hail Mary.

- 2. Hail Holy Queen.
- 3. The Angelus.
- 4. The Rosary.
- Q: What Prayer do we stop and pray at midday?

A: The Angelus because it reminds us of the Annunciation and Mary's "Yes" to God.

Parents, you may like to go through these questions and answers with your children at home and have a discussion together about Mary.

Upcoming dates

Father's Day Liturgy – Friday 4th September

Let us pray this week that like Mary we may open our hearts, our minds, and our lives to the greatness of God who can work in us.

Mrs Monique Boyer Acting Religious Education Coordinator

Pastoral Care and Student Wellbeing Policy

Our policies and procedures for student wellbeing are based on the Positive Behaviour School framework putting the focus on student learning.

Expectations are articulated in our STaRS:

Safe

Thoughtful

actively

Responsible

Students

Expectations are explicitly taught to all students and individual plans are developed for students requiring more intensive support. All staff support students in living out the STaRS values.

In line with the Student Wellbeing Policy, discrimination, harassment or bullying are not permitted. Incidents arising pertaining to these matters need to be conveyed to the class teacher and will be dealt with in an appropriate manner.

For further details, visit the school website: www.stjosephskingswood.catholic.edu.au

Discipline Policy

St Joseph's discipline policy ensures procedural fairness, the hearing rule, and the right to an unbiased decision. St Joseph's staff neither use, nor sanction, corporal punishment. When an incident occurs which requires the individual to be disciplined, staff ensure that it is dealt with in an appropriate manner taking into consideration the above requirements.

Complaints and Grievances Procedures

From time to time concerns may arise in regard to the school between different stakeholders. The following procedures have been developed to effectively address any such concerns.

Parents

Complaints or grievances pertaining to classroom issues, or that relate to other children are to be dealt with by school personnel. It is not appropriate for parents to approach other parents, or their children, with the intention of resolving the issues.

The recommended procedure to be followed by parents is:

- 1. The first point of contact is the student's class teacher. Please contact the school office to make an appointment with the teacher concerned.
- 2. If parents are not satisfied with the solutions offered, or believe that they have not been given a fair hearing, they are encouraged to make an appointment with the Stage Co-ordinator or the Assistant Principal.
- 3. Should the issue remain unresolved after this time, an appointment is made with the Principal to further discuss the issues. Please remember there usually are at least two sides to every story and whilst it is important to listen to the children, it is also important not to draw conclusions or make accusations until all the facts are known.

Students

The recommended procedure for students is:

- 1. If issues arise in the classroom, students are encouraged to speak to their class teacher in order to seek support in finding a resolution.
- 2. Students encountering problems on the playground are asked to talk to the staff member on duty at the time of the incident. If they believe that their concern has not been adequately addressed they are encouraged to speak to their class teacher.

 All students at St. Joseph's are taught to adopt the school's Three Step Plan to find a resolution. This plan is displayed in each learning area, is discussed regularly in class and forms part of the Student Wellbeing Policy.
- 3. Students can also speak to the Co-ordinator, Assistant Principal or Principal, as well as any other staff member about issues they may have.

Photos at School

Due to privacy issues, photos taken at school should be taken of own children only.

Supervision at School

A reminder to parents that morning supervision at school commences at 8:20am. At afternoon dismissal, children remaining at walkers at 3:15pm will be taken to Kiss 'n Ride. Children remaining at Kiss 'n Ride after 3:30pm will be taken to the Office, at which time parents will be contacted. Afternoon supervision concludes at 3:30pm. Children should not be at school before or after these times.

Reminder to Parents

Parents are reminded that, if entering the school grounds to attend assembly, classroom activities, etc, they are required to sign in at the office on arrival, and sign out on departure.

Online Child Protection Training

If parents are planning on assisting in the classroom, or on an excursion, they are required to first complete Child Protection Training. The training is undertaken over the internet at http://childprotection.parra.catholic.edu.au/training Simply click the training link under "Volunteer" to undertake the training.

Working with Children Check

Previously parent helpers and volunteers only needed to complete the online Child Protection module; however it is now mandatory for all volunteers to provide a Working With Children Check (WWCC) number, available from a NSW Motor Registry. While there is a cost for paid employees, there is no fee for volunteers. No parents will be accepted as a volunteer/helper for excursions, sports days or other school events without providing their WWCC number. We ask you to give this your urgent attention. This provision does not apply to the upcoming disco as parents and teachers will be roving supervisors.

Change of Home or Emergency Contact Details

If you have any changes to your home or emergency contact numbers, please contact the school office as soon as possible. In cases of sickness or emergency, it is important that we have the correct contact details for your child(ren

Mathematics News

Open investigations are a fun way to learn numerous solutions and answers for a task. For example you may find 10 or more different answers for the same task.

How many solutions can you and your family come up with? Perhaps children could verse parents or work in teams...

Have fun and let the challenge begin! Mrs McGannon & Miss Durrington

<u> Activity 3 – Odd or Even ?</u>

- How many odd and even numbers can you find in your life?
- For example your age/age of people in your family, birthdays, siblings, pets, cousins, boys, girls, house number, phone number, arms, legs, eyes etc.
- Find as many solutions as you can and record your answers.

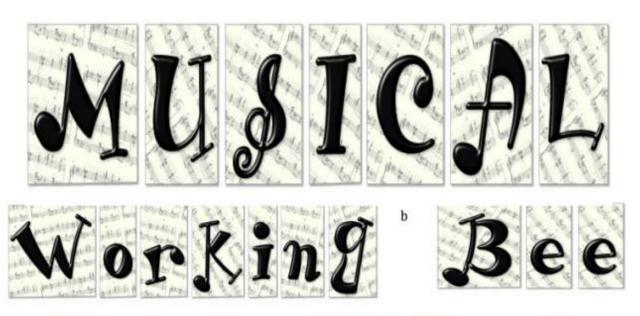

Activity 4 - Empty Number Lines

The empty number line is a line with no numbers and is a visual representation for recording thinking strategies during the mental computation process.

The empty number line allows students to see the variety of ways that the same question can be solved. For example, to solve 157 + 36 one student may begin at 157, add 30, then 6 while another may start at 157 and break the 36 into 3 and 33. This turns the question into the problem of adding 33 to 160.

<u>Activity:</u> Design an interesting addition or subtraction word problem with your family and show how you used an empty number line to solve it

Saturday August 22nd 10am - 4pm Sunday August 23rd 10am - 3pm in the MPA!

We will be preparing props, costumes, backdrops and curtains.

If you can spare an hour or two please come along!

Please understand we cannot provide supervision. The MPA will be full of paint, pins and scissors - so not safe for children.

Monday 24th August.
