

Message From Mrs Reilly...

Dear Parents/Caregivers,

I can't believe we are entering the last week of the term. It's been an exciting start to 2019 with lots of learning, sharing, celebrating and fun.

The Celebration of Learning afternoons have proven to be very popular. They are a wonderful opportunity for you to see what's happening in learning spaces and a chance for your children to share their learning. I really appreciate you taking the time to come and celebrate.

I've also had lots of great feedback about the Celebration of Learning newsletters. This initiative has given families another opportunity to see what is happening in learning spaces. I know many of you enjoyed sharing the pictures and information with your children.

Another highlight of the term has been working with Lyn Sharratt and then with leaders from other CEDP schools. The feedback we were given was absolutely wonderful. We have since had many visitors from other schools coming to learn about what we are doing. Some of the comments received:

"The children are so engaged in their learning. They wanted to share with me their goals and challenges."

"I was greeted by a delightful Year 6 leader who introduced himself, welcomed me and then offered to carry my bag as he took me to the hall."

'The feeling of the school is very different to the last time I was here. The kids seem very happy. Classrooms are calm with evidence of learning across all KLAs and teachers are proud to share what is happening in their spaces.'

"Can't believe all the great things happening at St. Joseph's."

Showing Respect - Active Bystanders

At St Joseph's Being Respectful is a key value during learning time and at play, we encourage respect in the way we talk to each other and share space with each other. We encourage all children to report concerns around behaviour that is leading to upset, this includes verbal and physical behaviour - with the view that asking for help shares the responsibility and allows teachers - in class and on duty the opportunity to respond to the concerns and to provide support.

To help model respect and to show support for each other, we are encouraging students to be active bystanders and support each other. Bystanders have the power to play a part in helping to identify bullying and helping to minimize how long it goes on for.

Active Bystanders do not need to take responsibility for the Bullies actions – they need to make their own actions count.

There is strength in numbers; Bystanders can combat bullying issues by showing their disapproval towards bullying behaviours by

Direct action –

- o Take the victim away from the bully – just walk up and walk away together
- o Tell the bully to stop – and remember asking for help is a right you have in our school and any school
- o Don't laugh – the bully will see this as you agreeing with their behaviour - Sometimes Bystanders think that what is happening is funny and they laugh, encourage or accept what is happening which can lead to feeling powerless, guilty or anxious about what is going on – we can activate our children to make their actions count by asking for help and reporting things that feel bad.

Engage adults -

Get help – report your concerns to the teacher on duty, stay with that teacher until they are able to see how important the situation is or this can be by approaching a teacher you trust

Encouraging our students to take action and be active bystanders to show their respect for each other will build their strength on Joey's Journey.

<http://www.eyesonbullying.org/bystander.html> this website aims to assist in Bully prevention.

Dismissal

If someone else will be collecting your child **early or after school**, on your behalf, you need to inform the school in writing or by email, stjosephskwood@parra.catholic.edu.au **PRIOR to pickup**. Thank you for your cooperation in this matter.

Speaking respectfully to others

At St. Joseph's one of the key ways for students to be on Joey's Journey as Safe, Respectful Learners is to **speak respectfully to others**. Students from Kindergarten to Year 6 are aware of this goal and what it looks like in class and on the playground.

When speaking to teachers, classmates or peers we use a **friendly tone, kind words, eye contact and appropriate facial expressions**. When we do this, we communicate in a friendly way that is respectful. When others are speaking, we show them we are listening by facing them and using active listening skills.

On the playground, speaking respectfully sounds like:

- friendly talk during games
- words of encouragement like "Great effort, maybe next time!"
- words that show good sportsmanship like "Good game" and gestures like a handshake or thumbs up

Teachers reinforce this behaviour through praise and feedback, for example, 'I like the kind words you chose and how you spoke in a friendly tone'. Teachers will prompt students who are not achieving this goal with time to practise, re-teaching opportunities, and the class based system of managing non-compliant behaviours if needed.

You can help your children practise speaking respectfully through modelling this at home. For example, using kind words to each other, speaking in a calm and friendly tone, using words of encouragement at weekend sports like 'great effort', and showing active listening skills when your child is speaking.

We are all on **Joey's Journey of being Safe, Respectful Learners** together.

BE RESPECTFUL

- Children and adolescents who are being cyberbullied sometimes change their behaviour. If you are concerned they might be a victim of cyberbullying, talk to them and tell them you are concerned. Arrange to talk to a teacher or school counsellor
- Advise your child not to respond to any negative messages and to keep evidence. Tell them to report any negative messages they receive to you or another trusted

Seminar Understanding the Process of Annulment of Marriage within the Catholic Church

Brought to you by Solo Parent Services (CatholicCare Western Sydney and Blue Mountains)
and the Catholic Tribunal Office Parramatta Diocese

Date: Tuesday 7th May 2019

Time: 7pm - 9pm

**Venue: St. Patrick's Cathedral - Parish Hall
Cnr Marist Place and Victoria Rd (On site parking via Victoria Rd)
Parramatta**

Marriage breakdown is usually a traumatic experience for all concerned.

The Church reaches out in support of those whose marriage has broken down, while upholding the permanence of a true Christian marriage.

Many separated and divorced people and their families wonder about their status within the Catholic Church, and begin to ask such questions as ...

What is the basis for an annulment?

How does an annulment differ from a divorce?

How long does it take?

Are children of a marriage declared null considered illegitimate?

At this Seminar you will have the opportunity to have these and other questions clearly answered.
