St Joseph’s Primary School - Kingswood

Urgent!

Before School
While parents are welcome to wait at the top of the Kindergarten stairs, we ask that they not go to the line-up area and leave the premises once the warning bell goes at 8.45am.
On Mondays, parents are invited to go up to the MPA for assembly.
To adhere to Child Protection requirements and to allow for children’s smooth transition into class, we request parents leave the school grounds when the 8:50am bell rings.

Morning Drop Off
Parents may drop children at the Kiss n Ride gate, from 8.20am. Parents may not park in this zone or move more than 3m from their car.
Alternatively, parents may park their car in a legal parking area and escort their child/ren into the school. Do not drop children at the administration driveway or the pedestrian crossing. Your child’s safety is worth the extra minutes and inconvenience to getting safely into the school grounds.

Dismissal
The Bus and Kiss n Ride gates are for children catching the bus or being picked up by car as per KnR regulations. Supervising teachers are finding it difficult to manage the safety of children when parents are calling their children and mingling with other students who are waiting.
The gate next to Kindergarten is the entry when collecting children other than Kiss n Ride or bus.

Staff Car park
Do not drive into the staff car park or administration car park. We have had some ‘near misses’ of children almost being hit by cars reversing out of the driveways both before and after school.
We appreciate your action to keep all of our children safe.

First Reconciliation Enrolment
Families that wish to enrol their children for the Sacrament of Reconciliation (First Confession) must attend the meeting in the parish hall on Sunday 15th of February, following the 10am mass.

Caring for our Toilets!
During the holidays, our children’s toilets were painted, repaired and pressure cleaned. Please discuss with your child the importance of respecting this facility by not adorning the ceiling with wet toilet paper balls, writing on the walls/doors, throwing objects into the toilet bowl and standing on toilet seats/cisterns. While it is only a small number of students who cause the damage, we need all students to be alert and advise teachers of vandalism.
