# Kindergarten

## Kindy's first few weeks...

Whiteboard writing

Crunch and Sip

Reading books with our friends

Time with our special Buddies

## Classroom activities

Year One have had a very busy start to 2019! As part of our Literacy unit we have been reading and learning about Fairy Tales. We made some porridge that was just right! We also made some Gingerbread! It was delicious! Can you guess which Fairy Tales we have been learning about?

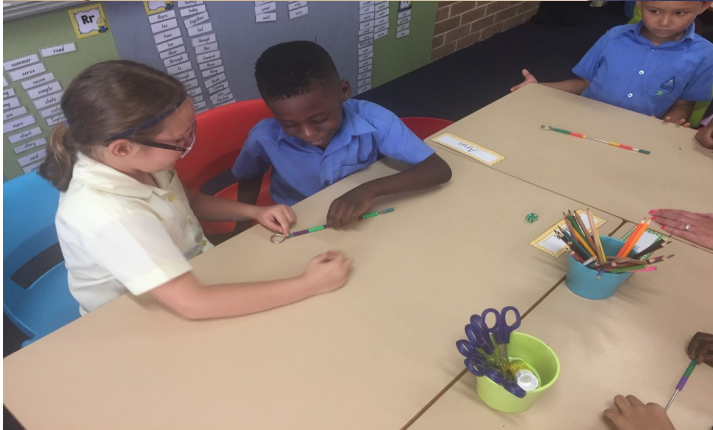

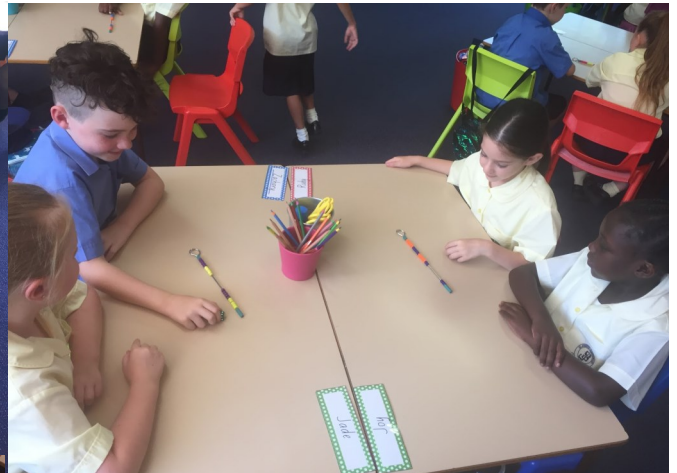

---

# Year 2

Year 2 have had a spectacular start to 2019 being safe, respectful learners! We have already enjoyed a Joey Jump class reward. We have been exercising our brains with some hard mathematical thinking! In Science, we are discovering push and pull forces all around us.

Meet 'Joey Blue' our hermit crab.

We are having fun learning how to use digital technology.

Our Butterfly emerged from its chrysalis.

Learning Influences

John brought a laptop and presented the game the class was to play. He explained the concept and then the class began to play. The students were very engaged and enjoyed the game. The teacher was also very involved and provided support when needed. The game was a great success and the students learned a lot.

The screenshot shows a Popplet interface with a central box labeled "Living things". Seven lines radiate from this central box to surrounding boxes, each labeled with a category: "People", "Animals", "Plants", "Insects", "Reptiles", "Fish", and "Non-animals". The "Insects" box is further connected to a sub-box containing icons for a bee, a butterfly, and a spider. The interface includes a top bar with the "popplet" logo, a title field containing "Living things", and navigation buttons for "Home", "Add", "Share", and "Print".

---

# Year 5!

Year 5 are learning about our environment. In particular how plants use water and sunlight in the processes of photosynthesis and transpiration. Here we are placing plastic bags over some branches, we will observe these over the next few days and add this to our learning about plants.

# YEAR 6

Year 6 having a great time celebrating their Joeys Class Award and Joeys Step 2

Congratulations to our students who made Swimming Zone:  
Levi, Reece, Meghna, Arnav, Zac, Keira, Emily and Charlie.

Animal Relays being frogs, crabs, bears and penguins

Kindergarten enjoying Sport

Year 1 being 3D statues of transport

Year 2 Drama Activity

Year 5 3D statues of drinking containers
